This painted brick three and one half story rowhouse accomodates a first floor storefront and is three bays wide on the second and third floors. The shop facade is homologous to 206 W. Franklin Street. Below the cornice that divides the shop facade from the upper level facades are six tripartite glass panels seperated by mullions that constitute a transom spanning the building facade. Symetrical fenestration punctuates the second and third story facades. The rectangular windows are double hung with one over one lights except for a third floor window with two over two lights. The windows have wood lintels and sills. Three frieze casement windows are set within the projecting cornice. Two opposing brick chimneys crown the flat roof.
